# CAMERON VILLAGE
CALL FOR ARTISTS

come play with us!

Attention all artists, artist groups, art teachers, creative souls handy with a paintbrush and a vision! This fall Cameron Village celebrates our 70th anniversary and will host a playtime like no other. We promise you haven't had this much fun playing in 70 years!

Give back through play as Cameron Village proudly partners with the Community Music School of Raleigh (CMS) – a treasured Raleigh institution now celebrating its 25th Anniversary. A non-profit 501c3, CMS provides opportunities for children and teens with limited financial resources to receive one-on-one music instruction in orchestral and band instruments, voice, piano, percussion, harp, or guitar. Instruments are provided for students use free of charge during their enrollment. Faculty are highly accomplished professional musicians and educators to make sure the beat goes on for the next 70 years.

To participate or for more information, please email to Dennis de Jong, Executive Director Community Music School at ddejong@cmsraleigh.org

NEED AND ACTIVITIES

- Paint 1 of 10 pianos as part of Cameron Village 70th Anniversary benefitting Community Music School
- All of the custom painted pianos will be on site in Cameron Village during its Birthday Celebration, Oct. 11-19, 2019.
- We are asking local companies to sponsor these pianos. Most will require sponsor input on design and approval of artwork. Final home of the pianos will be up to sponsoring partner.

TIMELINE

- Concept and Design, April 2019 – CV and CMS must approve all designs.
- Execution, May 2019

COMPENSATION/RECOGNITION

- CV will provide an artist's stipend of $200 per piano.
- CV will provide a $200 paint allowance per piano. Jerry's Artarama has graciously offered a generous discount on your purchase should you choose to shop with them.
- Space in Cameron Village will be available for painting effort.
- All pianos must be finished with two topcoats of sealant.
- Painters/paint teams will receive name credit on the sponsor sign and on web site.
